SIMA presents SUMMER JAZZ

Following a highly successful and wonderfully diverse Winter jazz series and a widely acclaimed Women's Jazz Festival, SIMA is proud to present the inaugural Summer Jazz series, a program of ten outstanding concerts that span a whole variety of musical styles and influences within the broad church of jazz. As SIMA's artistic director Zoe Hauptmann notes "Our summer program celebrates the strength of collaborations between many outstanding artists. These collaborations and partnerships showcase the depth and range of work being presented by Australian jazz musicians spanning the generations."
